8:45-10:00am Lesson Study: Collaborative Lesson Planning
Jenny Lewis

Our work today will be devoted to preparing the lesson we will teach this afternoon. Jenny will explain the way in which we will divide into groups in order to work on the lesson. You will be able to choose the section of the lesson that you will spend most of your time working on. The times on the schedule are approximate. In general, we'll work, regroup to hear from each other and then work some more.

*Each group will have a faculty member attached to it.
